

Sammy Stile Scores Second Super Late Model Win at Dog Hollow on Sunday Night; Satterlee, Hite, Lee, Pluta & Sholtis All First Time Winners

STRONGSTOWN, PA (July 10, 2011) – A Friday night rain out saw Dog Hollow Speedway decide to run Sunday night. When all the checkers flew it was Sammy Stile scoring his second Townsend Gas & Oil Super Late Model feature win of the season. Andrew Satterlee (Stoystown Auto Wreckers FASTRAK Late Models) drove to his first win of the season. Tyler Hite (Hoosier Tire Mid-Atlantic), Davey Lee (Brush Valley Tire Pure Stocks), Andrew Pluta (4 Cylinders) and Brent Sholtis (Mod 4) were all first time winners at DHS.

The 25-lap Townsend Gas & Oil Super Late Model feature started the night off as Jack Pencil took the opening lead. Pencil looked strong as he stayed out front until he broke a driveshaft ending his night. This handed the lead over to Dwayne Taneyhill. Taneyhill led a few more laps before fifth starting Sammy Stile flew by. Stile opened a big lead until a caution appeared for Taneyhill. This put 12th starting Gregg Satterlee on the Charleroi driver's back bumper. Stile was up to the challenge and held off last weeks winner to become the first driver to score a repeat win in the SLM's. Satterlee finished second over Jared Hawkins, Clate Copeman, Steve Everhart, Mike Blöse, Rick Davis, Dan Lee, Brian Laraway (subbing for Dane) and Jim Struble. Copeman and Pencil were the heat winners.

First-time visitor Ryan Montgomery grabbed the lead at the drop of the green in the 20-lap Stoystown Auto Wreckers FASTRAK Late Model A-Main. 15-year-old Montgomery, who claimed his career first the night before, looked like he would win his second of the weekend. A restart just before the half way mark saw the Fairmont, WV driver not come up to speed and Andrew Satterlee sped past to take the lead. Satterlee then had to hold off Ken Herman to score his first DHS checker of the season. Herman, Tom Mayberry, Mike Laughard and Dan Karalagas completed the top five. Sixth thru tenth were Troy Shields, Tim Snare, Jr., Joey Petyak, Jim Boyer and John Eckenrod. Montgomery, Snare and Shields all won qualifying heats.

The 16-lap Brush Valley Tire Pure Stock feature was one of the best of the night. A four car battle for the lead kept the fans screaming. Matt Krause was looking for his third win until he slipped high letting Davey Lee (subbing for Adam Pletcher) and Justin Queen get by. Lee then had his hands full as Queen through everything he could at the former track champion. Lee was not to be denied and took home the victory. Queen was second over Krause, Rich Powell, Eric Ager, Bob Helsel, John Yasika, Jim Hamilton, Matt Summers and Mike Richardson. Heat wins went to Lee and Ager, both cars are lucky #13.

Altoona's Tyler Hite proved he likes slick tracks in winning the 16-lap Hoosier Tire Mid-Atlantic Street Stock feature. Hite had no problem running high or low but made the winning pass on Josh Jacoby using the high side. A restart with just a few laps to go put 12th starting Nick Goss on his back bumper. Hite never faltered and flew to his first checker of 2011. Goss settled for second over Joe Kelly, Josh Jacoby, Jeff Sweeney, Ray Hickok, Tim Laughard, Scott Bowman, David Rocker and Ryan Jacoby. Scoring the heat wins were Hite and Goss.

In the Mod 4 feature Beilsano's Brent Sholtis put an end to Bob Pease's four race win streak. Sholtis, who was making his first DHS start of the season, came out on top in a four car battle to

take the win. Pease, Tom Pavelko, Paul Little, John Lee, Rick Lamer, Roy Povlik, Jesse Short, Robert Lydic and Mark Maglett were the top ten. Little and Pease were the heat winners.

The final feature of the night belonged to the FWD 4 Cylinder Sidewinders. Andrew Pluta, Jr. made his first visit of the season and drove away to the 14-lap victory by a straightaway. Another first time visitor, Casey Fleegle, came home second ahead of Ray Edwards, Mark Remah, Chris Yoder, Gene Charles, John Hassenplug, Jack Theys, Ray Schettini and Sean Fitzpatrick. Charles, Schettini and Pluta were all heat winners.

Friday night the Townsend Gas & Oil Super Late Models will race for \$2500 to win while the Stoystown Auto Wreckers FASTRAK Late Models will go for \$700 to win.
